

CV –Aissous Meriem

Name: Aissous Meriem

Rank: Maitre de Conference B

Department: Preparatory Class

Email Address: meriem.aissous@enp-constantine.dz Meriem_ais@outlook.com

Educational Profile:

- PhD in Mathematics- Applied mathematics/ Mohamed Seddik Ben yahia – Jijel university.
- Master in Mathematics- Topological Algebra/ Brothers Mentouri University Constantine 1
- License in mathematics- Algebra/ Brothers Mentouri University Constantine 1

List of Journal Publications

1. Affan D, Aissous M, Yarou M.F ,2018, [Existence results for sweeping process with almost convex perturbation](#). Bull. Math. Soc. Sci. Math. Roumanie. 119-134.
2. Affan D, Aissous M, Yarou M.F,2020,, [Almost mixed semi-continuous perturbation of Moreau's sweeping process](#). Evolution Equations & Control Theory, 9 (1) : 27-38. doi: [10.3934/eect.2020015](https://doi.org/10.3934/eect.2020015)
3. Aissous M, Nacry F, Nguyen T, 2020, [First and second order state-dependent bounded subsmooth sweeping processes](#).. Journal of Linear and Nonlinear Analysis, 6(3) : 447-472, Issn : 2188-8167.

List of Conference Papers

1. Affan D, Aissous M, Yarou M.F, [Existence results for non convex sweeping process](#) , Days of applied mathematics. Skikda university (Déc. 2015).
2. Affan D, Aissous M, Yarou M.F, [Existence results for non convex differential inclusions, Doctorial de mathématiques](#). ENSC Constantine (Oct.2017).
3. Aissous M, Nacry F, Nguyen T, [First order state dependent sweeping process](#) , Second National Mathematics Seminar. Université de Constantine 1 (Jun. 2021).
4. Aissous M, Nacry F, Nguyen T, [Second order state dependent sweeping process](#) Recent Research in Applied Mathematics. Université Larbi Ben M'hidi- Oum El Bouaghi (May. 2022)
