Timetables

5th Year Environmental Engineering
S 305 for Lecture

	8h00-9h30	9h30-11h00	11h00-12h30	13h30-15h00	15h00-16h30
Sunday		Process Optimisation Lecture Djerafi	Process Modelling Lecture Djerafi	Process Design TC Touati	
Monday	Applied Thermodynamics Lecture Kerabchi	Applied Thermodynamics TC Kerabchi	Process Optimisation TC Djerafi	Practical work Process Design S 303	Practical work Optimisation S 303
Tuesday		Biomass Lecture Derbal	Process Design Lecture Touati	Green Hydrogen Production Lecture Saouli	
Wednesday	Process Simulation Software Lecture Kerabchi	Practical work HYSYS Kerabchi S 303	Process Modelling TC Djerafi	Practical work Process Design S 303	
Thursday		Business Organisation and Management Lecture Idri	Project Management Methods Lecture Zeghbid	Practical work Applied Thermodynamics Kerabchi
