Information on Applications for the Doctoral Entrance Examination

- The application procedure follows a **paperless** policy. No hard-copy documents are required.
- The examination is open to candidates holding the Baccalaureate and one of the following qualifications:
 - A Master's degree; A State Engineer degree; A diploma awarded upon completion of a five-year (05) training programme at a Higher Teacher Training School; A Magister degree; A foreign qualification officially recognized as equivalent.
- Applications must correspond to accredited third-cycle training fields and their respective specializations, whether under the pre-harmonization or post-harmonization classification.
- Candidates must not be enrolled in a doctoral programme at any higher education institution, either in Algeria or abroad.

Application Documents

The application must include digital copies of the following documents:

- The Baccalaureate transcript;
- The Magister degree, State Engineer degree, Master's degree, or Secondary Education Teacher diploma (PES);
- Any other intermediate university qualifications obtained, such as a Licence degree or other diplomas;
- Academic transcripts covering the entire university course of study.
